

Dear Hiring Manager,

I am writing to express my interest in the Software Engineer - Python (Back end) role at ME Solshare Ltd.. I am a highly motivated individual with a passion for software development field, and I believe that my skills and experience make me a strong candidate for the position.

I have 3 number of years of experience in software development field, and have developed a strong understanding of the software. In my current role at Best Tycoon BD Enterprise Limited, I have been responsible for creating some software, and have been able to complete their requirements.

I am confident that my skills and experience make me a strong candidate for the position, and I look forward to the opportunity to discuss my qualifications further. Thank you for considering my application.

Sincerely,

Amit Kumar Goswami
